FAMILY HEALING

At Nexus-Woodbourne Family Healing, we provide psychiatric residential services, and treatment foster care to help children struggling with emotional, behavioral, and mental health issues – and the families who love them. We are especially passionate about bringing hope to even the most challenging situations.

Please join us as a Sponsor for 2024 Building B'more Connections. This event offers the opportunity for community leaders to learn about the current youth mental health crisis and explore ways to join with Nexus-Woodbourne to improve the lives of children and families in the Greater Baltimore Area.

Guests will have the chance to connect with other community professionals while enjoying the beautiful atmosphere and spectacular views from the 16th floor of the CareFirst Building in Baltimore's waterfront Canton community.

Complimentary appetizers and beverages will be served.
