

A Day in the Life of an Intern

Name: Mande W.

Role: Social Work Intern

Nexus Family Healing Agency:
Nexus Family Healing

Educational Program: Master of Social
Work

Responsibilities:

- Foster parent retention research
- Grant and policy writing
- Macro/Administrative Work
- General Marketing/Development support

What You Learned: Throughout my internship with Nexus Family Healing, I've been able to see an overview of how two Nexus agencies work as a macro social worker. I have been able to see the hard work that goes into obtaining grants, working with the communities served, and fundraising as a nonprofit. This hands-on learning has been very supportive in accomplishing my educational goal of obtaining my master's degree in Social Work.

Current role and Future Goals: I'm currently employed at Nexus-PATH in North Dakota providing treatment foster care case management. Upon obtaining my degree, I plan is to continue supporting children and families in my community.

"I am learning a lot about what goes into running a successful nonprofit."
