

Meet Jonathan

Jonathan is 15 years old. He has a contagious smile and a great sense of humor.

He likes playing basketball and football and has an interest in car racing. When he's not outside, he can be found playing video games or working on building something. He is a very hands-on learner and enjoys taking things apart as well as reconstructing things.

Jonathan enjoys the outdoors where he can ride four-wheeler, go biking and snowmobiling. His favorite activity is fishing!

Jonathan needs a family who can provide structure, routine and concrete expectations. He would prefer that he is either the youngest child or the only child in the home. An active family would be ideal to join in his hobbies.

Following adoption, Jonathan would need to maintain contact with his two older sisters.
