

Jer'Monta, Ra'Heem, and Ha'Keem

Jer'Monta (7) can be very friendly, polite, and charming. He likes playing with toys and enjoys outdoor activities like running and riding his bike.

Ra'Heem (4) is somewhat reserved and quiet, but once he warms up to people, he is loving and smiley. He has a great sense of humor. Ra'Heem enjoys playing with other children, reading books, listening to music, playing at the playground, painting, and swimming. He also likes playing with cars/trucks, Play-Doh, puzzles, and Legos.

Ha'Keem (4) is friendly, silly and likes to help out. He enjoys riding his bike, playing on playground, and playing with other children. His favorite toys include cars and trucks, toy tools, musical instruments, and Potato Head. Ha'Keem's favorite foods include pasta and French fries.

These three siblings would do best in a home that can provide routine and structure. A family living in the Twin Cities metro area would be ideal. Following adoption, the children will need to maintain contact with their other siblings. Only Minnesota families are being considered at this time.
