

Meet Tavion

Tavion is a funny 13-year old young man. The keys to his heart are Takis and Pokémon cards. Tavion is also a talented artist. He is described by others as a leader who is not afraid to advocate for himself. He can be energetic and interested in soccer and football.

A good fit for Tavion would be active caregivers who is familiar with trauma and can provide a high level of supervision. Tavion would do best in a home that can set firm boundaries while not taking things too seriously. Tavion would need to maintain connections with his birth family as appropriate.
