

# Minnesota Foster Care & Adoption Services 2025 ANNUAL REPORT

## Who We Are

Nexus Family Healing is a national nonprofit network of mental health agencies with over 50 years of restoring hope for thousands of children, families, and adults through community mental health, crisis and stabilization, foster care and adoption, and residential treatment services. We use innovative, personalized approaches to heal trauma, break cycles of harm, and reshape futures.

Our **Minnesota Foster Care and Adoption Services** offer a range of support designed to strengthen families and create safe, stable homes for children and youth.

When family systems break down or a crisis occurs, we're here to help. We work tirelessly to make sure every child is cared for — whether they need short-term care while a family is in transition or a permanent place to call their own.

### Across Minnesota, we provide:

- **Foster Care Services:** Traditional, Short-Term, Emergency, Whole Family, Relative and Kinship Services, Supervised Visitation, Successful Transition to Adulthood for Youth Program
- **Adoption Services:** Training and Education, Adoption Home Studies, Relative Permanency Services, Child-Specific Recruitment, Child Placement Services, Post-Permanency Services

*\*Adoption services provided through funding by the Department of Children, Youth, and Families*

**OUR MISSION**

## Story of Hope

Former foster youth Chris\* and girlfriend Lacy\* were struggling. After moving back to Minnesota, Chris and Lacy found themselves without a home of their own, forced to live out of their car. The situation felt hopeless.

However, Chris connected with his Nexus Family Healing social worker, and together they enrolled him in the Successful Transition to Adulthood for Youth (STAY) Program, which offers independent living services to current and former foster youth.

Within four months of entering the STAY Program, Chris and Lacy received help getting steady employment and finally finding a stable home for the two of them. Now, they are thriving.

*“We can’t believe how much our lives have changed in such a short time. Having this program and these resources available is truly life changing.”*
