Meet Aubrie!

Aubrie is a highly motivated, intelligent, and personable young woman who truly shines once you get to know her. She enjoys all things beauty and fashion, including makeup, hairstyling, and shopping. In her free time, she also enjoys playing online games, reading, and volleyball. Aubrie thrives when she stays active and values spending time with the people she cares about most.

Aubrie would do well in a one- or two-parent household where caregivers can provide consistent structure and accountability while maintaining a healthy balance between supervision and independence. She is open to having other children and pets in the home. A rural setting is preferred.

Aubrie has indicated that she is open to adoption but would prefer an adoptive family with whom she already has a relationship or one that is willing to take the time to build a meaningful connection with her before pursuing adoption. Aubrie is currently located in northern Minnesota and would need to maintain contact with her younger sister.
