

Meet Joey!

Joey is a 14-year-old male, who is kind, respectful, and talented. Joey loves rap music, video games, Nike shoes, and spicy food. Joey enjoys going on bike rides.

Joey does well in an environment with structure. Joey would benefit from a home who is able to provide and demonstrate trauma informed care, patience, and stability. Joey would do best in a home with a male figure, but would benefit from either a single or two parent home.
