

Meet Alissa

Alissa is a 12-year-old girl with a big personality! She enjoys singing, dancing, and being silly. You can often find her spending time outdoors, doing arts and crafts, or watching some of her favorite movies and TV shows.

Alissa thrives with structure, routine, and supportive adults who can set clear boundaries and expectations. Caregivers should be able to provide her with consistent one-on-one attention. An ideal home for Alissa would be a two-parent household with no other children, though she is open to having adult siblings.

A self-proclaimed animal lover, Alissa would enjoy having pets in the home. She would also love to live in a more rural setting. Maintaining contact with previous foster providers and family members will be important.
